Dear Brothers and Sisters in Christ, partners in the service to humanity,

Re: ACKNOWLEDGEMENT OF THE RECEIPT OF THE PACKAGE FOR THE ELDERLY 2021

Grace and Peace of our Lord Jesus Christ be with you all!

On behalf of the people in Masaka Diocese, I wish to express our sincere gratitude for the timely Christmas package you sent to our elderly people in parts of Masaka Diocese through Fr. John Bosco Walugembe. We shall all live to remember this true sign of solidarity and charity most especially during these tough times of COVID-19 pandemic that has caused a lot of disruptions in people's lives.

This relief came at a right time since our country was still under lock down due to COVID-19 pandemic. The lock down has negatively impacted every one more so our elderly in our diocese. We received a donation to the tune of \$6,430.00 (Six thousand Four hundred and thirty dollars only). With this contribution we managed to distribute items to over 400 elderly people in nine Catholic centers of Masaka Diocese.

We are so grateful to you for you gave these elderly people reason to smile during the Christmas season of 2021. Wherever we went the elderly were filled with joy and promising prayers for all of you who sacrificed for them. The elderly people received a package containing soap, rice, sugar, Corn flour, salt and a Match box. A team of youths with their leaders went along with me visiting and delivering this Christmas package to these elders in our diocese.

I thank you so much for your timely intervention to bring a smile on these people's faces. Let us continue to pray for the end of the pandemic so that people may be able to go back to normal.

Yours in Christ,

+Serverus Jjumba
BISHOP OF MASAKA DIOCESE
